

VINCENT SHEPPARD

LOOP COLLECTION

PRODUCT DATA SHEET

LOOP

frame	aluminium
frame finish	powder coated in Dune white, Taupe, Moss, Terracotta, Fossil grey, Black
rope	polypropylene rope or polyethylene fibre
rope color	polypropylene polyethylene
	dune white black
	taupe
	moss
	terracotta
	fossil grey
glides	nylon (matching frame colour)

PROTECTIVE COVERS

dining chair (4x) PC020
lounge chair (2x) PC002

MAINTENANCE AND CARE

SYNTHETIC WEAVE

For our all-weather outdoor collection, we use multiple synthetic materials, including polyethylene, HDPE wicker and HPL. All our synthetic materials are specifically designed to withstand any weather conditions, are UV-resistant, and can be left outside all year long. We recommend giving them a quick wash when dirty or every three months with a non-foaming mild detergent.

OUTDOOR ROPE

Our rope is made of polypropylene fibres. Just like our other synthetic materials, the rope is designed to withstand any weather condition and can be left outside all year long.

For maintaining your rope furniture, we recommend using a fabric and upholstery protector to give optimal stain resistance.

To clean spots on the rope, we suggest applying a mist of soapy water with a spray bottle and then work the solution into the rope with a soft cloth by patting or rubbing lightly. Rinse the solution thoroughly and then blot excess moisture from the rope using a soft cloth and allow air-drying.

Never use a high-pressure hose..

ALUMINIUM

Aluminium has a self-protective layer, which prevents corrosion and makes this material very suitable for outdoor applications.

On top of that, it is super easy to maintain. A quick wash with a non-foaming mild detergent every now and then is all it needs!

CUSHION

foam sunlounger: 3 cm polyether foam
removable yes
fabrics see fabric data sheet for more info
